October 2, 2008

WAK is a huge success!!

It is such a heart warming sight on Wednesday afternoons in the Christian Life Center. Cupp Hall and several classrooms are full of children learning about God's word. We pick up 50 children from Lakeside Schools, 24 from Park & St. Johns (we have more children on the waiting list, but we only have a 24 passenger bus), and 7 from Lake Hamilton. Currently, we only have openings in the 5th & 6th grade class. Our total enrollment for the program is 85 children!! We are so blessed to be a vibrant and growing church!! Please pray for our leaders and children as we continue to learn how to listen for God's voice by using our Bibles.

Created By God is filling quickly!

If you have a 5th or 6th grader, it is time to sign him or her up for this wonderful workshop. We first mentioned Created by God last week, and we are already almost half way full. The workshop will be held January 9th & 10th. If you are interested in having your child participate, please sign up quickly because we always fill up. Although FUMC members have priority, we open this class to the community as well.

Bible Quest...what is it?

Bible Quest is part of our Day Spring Revival and is a fun way to involve children in this exciting event. Children ages Kindergarten-6th grades are eligible to attend beginning Oct. 26th through the 29th. For this program, we will need several "scribes" to listen to the children each night. The scribes take attendance, listen to memorized verses (there is a ceremony on the last night) and distribute stickers. The scribes can be anyone ages 14 years old and older. If you are interested in helping with the program, please let me know.

Thank you for continuing to help feed the hungry!

Our Jackson House food drive is going great!! A huge thank you to those of you who have already donated non-perishables!! We will continue taking food for the Jackson House until Oct. 19th.
